**MR. EYAEMA AANAMNDU**  
NATIONAL PRESIDENT  
NATIONAL ASSOCIATION OF AKWA IBOM USA, INC.

## **WELCOME ADDRESS BY NATIONAL PRESIDENT MR. EYAEMA E. AANAMNDU**

I thank the almighty God for this opportunity. On behalf of myself, the Board of Directors, Executive members, and the entire members of our new National Association of Akwa Ibom USA Inc, I welcome everyone present here to this historical event, the NAAKIBOM USA Inc inaugural convention and fund raiser event.

Sincerity of purpose and integrity has been and will continue to be the bedrock of our organization, The National Association of Akwa Ibom USA founded in August 2020. These foundational principles have been at the core of our operations, from projects we execute, how we treat our members and as well as our beneficiaries and donors. We knew from inception and continue to believe that our success is totally dependent on our ability to sustain these virtues, integrity, respect, and sincerity of purpose, above all else. I welcome you to our inaugural convention and fund raiser event today as we celebrate our values, accomplishments and prospects knowing that after a short three years, our bond and commitment to serve have consistently grown and have attracted more people that are inspired by our verifiable ethical standards and accomplishments.

Since inception, we have harnessed a tapestry of wisdom from all works of life specifically, working with our members, working with other organizations, and listening to our repeat donors. We understand very well through practical deeds the meaning of serving the underserved in the villages of Akwa Ibom State and the commitment and convictions required. For the few years of our existence, we have provided aid in many areas, such as sending succor to the family of Ms. Iniobong Umoren, who was murdered in her quest for employment, donations to Ima Bridge Medical Centre to boost their various humanitarian services in Akwa Ibom, donations to Nung Asang Community that were recently ravaged by the hurricane, provision of startup capital to small business, financial assistant to Ikot Mfon road project, financial assistant in helping to rebuild dilapidated school, financial assistant to other non-profit and organizations.

We have also unleashed the ingenuity of our talented members with diverse professional backgrounds and experience to serve the poor.

Today, I can unequivocally say that we are poised to provide the much-needed directional leadership that has been lacking in our polity for decades. Akwa Ibom people in diaspora and in Akwa Ibom state can be proud again and rest assured that through this directional leadership, our supposed bright future is clearer and more certain now than before as we prepare for what we want.

While we take this responsibility very seriously, we know that it requires hard work, honesty, and sincerity of purpose. That is why our foundational documents are critical and important in how we operate. As a result, I am personally asking you to commit to our renewed values and purpose to serve our less privileged and serve them well and efficiently without ethical roadblocks.

I am and will continue to be inspired by what our members and donors have been able to accomplish with pride and enthusiasm for the less privileged and even more excited than ever about our future especially in Tele-health, education, food bank and our proposed Naakibom Freedom Center in Akwa Ibom State.

I encourage and ask for your generous donations to help advance our building project in Akwa Ibom State. The National Association of Akwa Ibom USA, Inc. is a registered 501c (3) Nonprofit organization.

Donations can be sent Directly to NAAKIBOM USA via Zelle @ Naakibomusa@gmail.com.

Thank you for coming and may God bless us all.

Long Live NAAKIBOM USA

Long Live Akwa Ibom State

NATIONAL ANTHEM**

Arise, O compatriots, Nigeria's call obey  
To serve our fatherland With love and  
strength and faith The labour of our  
heroes past shall never be in vain  
To serve with heart and might  
One nation bound in freedom, peace and  
unity.

**UNITED STATES  
NATIONAL ANTHEM**

O say can you see by the dawn's early light,  
What so proudly we hailed at the twilight's last  
gleaming,  
Whose broad stripes and bright stars through  
the perilous fight  
O'er the ramparts we watched, were so  
gallantly streaming?  
And the rockets' red glare, the bombs bursting  
in air,  
Gave proof through the night that our flag was  
still there;  
O say does that star-spangled banner yet wave,  
O'er the land of the free and the home of the  
brave?
